

ORIGINAL  
PAINT TREATMENT

**ProTech**<sup>®</sup>  
MONTE-CARLO

Shining and  
long lasting  
protection

# Protection shield

---

The ProTech® treatment effectively protects the painted surfaces of your vehicle against all daily aggressions (pollution, insects, resin, ...) and maintains lasting color and shine for your vehicle.

**+** ProTech® guarantees the color and shine of treated painted surfaces on brand new vehicles for 5 years.

## Controlled application

---

The ProTech® long lasting treatment can be applied to all painted surfaces on your vehicle including the body, rims and even the interior. Engineered by ProTech®, it uses the natural structure of the paint and applies a thick protective film to it.

This rigorous treatment is applied only by our ProTech® certified technicians.

These technicians work in optimized conditions without dust and using lighting especially designed to see every nook and cranny of your car.

**One full day is necessary to apply the treatment.**

# Guaranteed results

Measured using a scanning electron microscope, the ProTech® protective layer is very thick. With 15% more thickness, your car's paint has incredibly strong protection.

## Shine retaining test:

Decline of the shine by weather and environmental influences..

Test weather-o-meter ISO (11341-2813)

To demonstrate the strength of ProTech® treatment from daily aggressions, we submitted it to the most extreme tests.

One of them, the WDM (Weather-0-Meter) created by one of the most renowned laboratories in the world, exposed the ProTech® long lasting treatment to the most extreme weather conditions. Laboratory findings are behind argument.

Paint treated with ProTech® ages 10 times slower than untreated paint and retains its gloss and color throughout its lifetime.

**This is without doubt the best possible result in this industry.**

# More than a service, a solution

---

**More than a service,  
we offer you a complete  
Esthetic Solution.**

The Procasa that we give you after the treatment contains the best of our know-how. The products, accessories and esthetic maintenance booklet are devoted to helping you keep your vehicle in impeccable condition for a long time.

We guide you in product selection and unlock our professional methods to enhance your car every day.

## Simplified wash

---

No car wash process is prohibited.

However, we recommend two foolproof washing methods\* to maintain the effects of the ProTech® long lasting treatment forever.

**New generation  
washing.**

The most innovative and high-performance washing method ever designed that doesn't waste water. Two hundred liters of drinking water are saved at each washing, a real gesture for the environment.

**Optimized  
washing.**

The fast and most efficient method for effortlessly maintaining your treated vehicle.

*\*the products are included in the Procasa.*

## **+ 40% more shine.**

Laboratory tests done by major manufacturers under ISO standards have demonstrated the spectacular efficiency of ProTech® long lasting treatment.

A ProTech® treated paint ages 10 times slower than a non-treated surface and will keep its new car shine. Colors are intense deep and luminous throughout the car's lifetime.

## **+ Surfaces that are five times slicker.**

The protective film coating applied to painted surfaces gives your vehicle a mirror effect and a unique silky-smooth effect. Surfaces are very slick, the dirt no longer adheres! See and touch it, the result is simply amazing!

## **+ Wash two times faster.**

The water repellent effect generated by the ProTech® Long Lasting Treatment facilitates your car's daily maintenance. A simple wash is enough to keep your car clean and shiny.

## **+ Efficient washing methods.**

After treatment, we give you the Procace. In it you will find all the products and accessories you will need for your car's maintenance.

Optimized washing or new generation washing without water, it's up to you!

## **+ Expert advice.**

Our experience and know-how are at your service. In your maintenance booklet you will find tips and advice to enhance your car on a daily basis. Our advice is also available using interactive tools on the Internet or directly on your smartphone.

## **+ Professional application.**

This unique process invented by ProTech® is applied exclusively by our qualified technicians who are certified by ProTech®.

Our expertise, structure and network allow us to offer you a unique quality service and technical support guaranteeing that you experience a long-lasting esthetic solution.

## **+ 5 year guarantee.**

ProTech® is committed to the treatment's resistance to wear and guarantees the color and shine of treated painted surfaces on a brand new vehicle for 5 years.

A vehicle treated with ProTech® and regularly maintained following our methods will keep its shine and colors throughout its lifetime.

In case of repainting, the ProTech® long lasting treatment will not create any problems.
